INT. BRAD'S LIVING ROOM - DAY

BRAD sits in front of the news watching the television.

TV REPORTER

Today marks the 13th day in a row of mass shootings as a gunman opened fire at a Ruby Tuesdays in Baton Rouge. The suspect has been identified as Whitey Mc Whitesman who is believed to be a white supremacist and an overall cunt. We are live in Baton Rouge with Erin Sanders. Erin take it away.

ERIN

Hey Brett, I am here standing in front of the Ruby Tuesdays where today's shooting happened. We have a couple of people here who want to share their thoughts on what's going on. Excuse me ma'am, can you share with me your thoughts on today's shooting?

WHITE WOMAN

Why is it that every time a white man shoots a place up he has a mental illness, but when it's...

BLACK MAN

I'm sorry ma'am your taking my outrage point.

WHITE WOMAN

Oh I'm sorry

BLACK MAN

Why is it that every time a white man shoots a place up he has a mental illness but yet a brother shoots the place up and he's labeled a Ko-rean.

BRAD

You tell em man!

ROBERT walks in in a jovial mood holding his laptop. He is talking while he goes to plop on the couch. He is talking to LIL RED through a webcam.

ROBERT
Not just one but all Marvel Movies
Suck.

LITTLE RED
Babe! That's not true. What about
Spider Man Far From Home?

ROBERT
You mean Spider Man Far From Good

LITTLE RED
Stop! You are so funny!

ROBERT
What can I say. I watched the
George Lopez show growing up. It
wasn't funny.

BRAD
Dude! Is that chaturbate?

ROBERT
Yup.

BRAD
Who is that?

ROBERT
Oh this? It's the beautiful Red
Velvet.

Brad leans in to whisper.

BRAD
Wait is she a cam girl?

ROBERT
A cam girl? No way. Red is a
model, who just happens to live a
majority of her life online.

BRAD
Like a cam girl?

ROBERT
Was the Truman show a cam girl?

BRAD
Don't bring up that loser Jim Not
So Care-Ey

ROBERT

He totally gave that chick herpes
by the way.

The 2 nod at each other in agreement.

LITTLE RED

Hey Robert, were out of time. Put
some more tokens in to keep the
private chat going.

ROBERT

No problem baby. Let me just cash
out some of my bitcoin.

BRAD

Your using your bitcoin?

ROBERT

Relax. It's not real money anyway.
And boom!

Brad stares at Robert.

ROBERT (CONT'D)

Hey Red baby. I have a cock
blocker here. Let me get back to
you in just a few.

LITTLE RED

Sounds good Rob! Don't forget

ROBERT

I know I know, I love you too

LITTLE RED

No. Cash app me for those
underwear I sent you.

Robert quickly closes the computer.

ROBERT

She's a classy number isn't she?

BRAD

I'd word it differently. Probably
switching classy for slutty. And
number for dyslexic.

ROBERT

Hey man watch out! That's my
current girlfriend and future
mother of my children...if smoking
weed doesn't kill my sperm count.

BRAD
Wait. Girlfriend?

ROBERT
Hell yes. We are now 2 months strong.

BRAD
You are actually dating her?

ROBERT
Bro, why are you all up in my Powerade? I don't ask you 10 million questions about Jessica.

BRAD
Dude she dumped me like episode 1.

ROBERT
Wait what?

BRAD
Yea apparently she was Dominican and the girl who voiced her was British. It became this whole thing.

ROBERT
Ohhhhhhhhhh!

BRAD
Yeah it's cool though. I got a date tonight.

ROBERT
Look at you man! Where'd you meet her at?

BRAD
This app called Bumble

ROBERT
Oh my god cancel the date now!

BRAD
No way she's sort of hot...like a strong 7...6. Why would I cancel that?

ROBERT
BECAUSE YOU MET HER ON BUMBLE!

BRAD

So! You met that chubby Korean chick on Tinder. Remember, train to Busan?

ROBERT

Dude finding a fat Korean is a delicacy. You know how much bulgogi she had to eat to get that heavy?

BRAD

All these dating apps seem like pretty much like the same thing.

ROBERT

Brad. Brumble is a woman first dating platform. As you know, men cannot message first. The female is the one who has the option to make the first move.

LITTLE RED

Don't even bother talking to me if I don't see a donation in the chat.

BRAD

And...

ROBERT

Now, let's imagine the type of inflated worth that has on a woman's vagina. It's already bad enough that chicks can post a picture on Instagram and get 10 thousand likes even when they look like Shrek.

BRAD

You mean Fiona.

ROBERT

No. I mean fucking Shrek. Mix that in with a cherry picking app like Bumble, and you got yourself a woman with a God Complex.

LITTLE RED

That's it. I am banning any one from my chat who makes under 44k a year.

ROBERT

2's become 11's. Fat chicks become skinny...from the neck down, its the glitch man cause your just stuck here wondering "Where did all the fine poon go?"

BRAD

Wow. I never thought about it like that.

ROBERT

That's what I'm here for. To figure this shit out, and use your Wi-Fi to download off the pirate bay.

Robert walks to the other room. Brad's phone vibrates with a text message from LUCY.

TEXT CONVO

LUCY: Cant wait for dinner tonight. Got snap?
Brad: Wtf is that?
Lucy: omg. App store and download. Snap me LucyLu22

Brad heads to the app store and downloads Snap Chat. He creates a username "carlosdanger." Brad whispers to himself in contentment

BRAD

Classic.

Brad sends Lucy a text message.

TEXT CONVO

Carlosdanger: Hi!
LucyLu22: HEY BRAD!

Lucy sends a snap to Brad where she is sticking her tongue in and out on repeat.

TEXT CONVO (CONT'D)

Carlosdanger: Look at that, a woman that knows how to use her tongue

BRAD

I am so witty.

TEXT CONVO

LucyLu22: Gross

Carlosdanger: So what are you
doing?

Brad's phone lights up with a snap from Lucy. It's her in
lingerie zooming in and tight on her cleavage.

BRAD

Oh man I am so gonna bone her.

TEXT CONVO

Carlos danger: Your boobs...

Brad deletes the text before he sends it.

BRAD

Shit how do I word this? Robert,
this chick sent me a slutty
lingerie pic. I want to compliment
her boobs respectfully. I also
want to show I am a dom and not a
sub.

ROBERT (O.S)

What color is she?

BRAD

Like a vanillaish?

ROBERT (O.S.)

Got it, tell her your cute but I
really want to bang your 2 fat
friends.

BRAD

No damnit. Something else.

Robert walks back into the room with his laptop open. Little
Red can be heard.

LITTLE RED

Only 100 more dollars before I take
a dump on this Parks and Rec season
1 Blue Ray.

Donation noises can be heard. Robert becomes distracted.

ROBERT

Fuck dude. White girls don't have
exciting boobs. Tell her...nice
fun bags dip shit.

BRAD

Wait what? I call her a dip shit?

ROBERT

If you don't say it your totally entering the friend zone, then the cuck zone.

LUCY

Ok boys, here it comes!

Grunting noises are heard then silence. Then a plop. Then donation noises again.

BRAD

Ok fine.

TEXT CONVO

Carlosdanger: Nice fun bags dipshit.

LucyLu22: Umm. Why are you being such a perv?

BRAD

Dude she called me a pervert!

ROBERT

Wait what?

LUCY

Here comes round 2

More groining noises are heard.

ROBERT

Call her a dip shit again.

Robert goes back to watching the screen with laser focus

BRAD

No!

TEXT CONVO

Carlosdanger: What do you mean perv?

LucyLu22: the whole "boobs" thing. It's thirsty and gross.

Carlosdanger: I thought that, you know, you wanted the conversation to go that way which is why you were in lingerie showing off your boobs?

LucyLu22: For you? Hah you wish. That's for my story.

ROBERT
What's happening over there?

BRAD
She said that lingerie post was for her story?

ROBERT
Dude everyone of her friends can see that!

BRAD
Wait that video wasn't for me but for all of them?

ROBERT
Exactly. How many followers does she have?

BRAD
32,000...

ROBERT
That's a lot of dicks in the feed.

The sound of a shit hitting the floor breaks and donations are heard right after.

INT. MEXICAN HOOTERS - SHORT TIME LATER

BRAD and ROBERT sit at the table drinking away. Robert is holding his laptop talking to Little Red.

BRAD
I just don't get it. How are you supposed to win a woman over when there's 32,000 other dudes competing against you?

ROBERT
Dude, that's a competition you don't want to win like the

BRAD
Special Olympics?

ROBERT
I was thinking hot dog eating contest, but bashing on the handi capped is cool too.

LITTLE RED
He should just buy it.

BRAD
What? Buy her attention?

ROBERT
Dude, don't buy that chicks
attention...

Robert looks on the Chaturbate screen. It shows a list of donations. Sit on marshmallows is listed at a \$50 dollar contribution. Robert donates the 50.

LITTLE RED
No. I meant like buy her pussy.

ROBERT
Woah there baby!

BRAD
No way. She's totally not hot
enough to buy. This girls like a 7

ROBERT
A generous 6. Solicitation is
reserved for 8's and up.

BRAD
Red, you probably have tons of guys
trying to date you online. How do
I beat out the competition?

LITTLE RED
Well that's easy...

Red pauses and makes a money sign with her hands.

BRAD
Robert could you.

ROBERT
On it.

The donation noise is heard.

LITTLE RED
You got to outplay her online.

BRAD
Outplay her? Huh.

LITTLE RED
Yeah. She puts on a good front but
let's be real. She's how old?

BRAD

30

LITTLE RED

That's too old to be a sugar baby,
so she probably works a shitty job

BRAD

She works at Well's Fargo in the
mortgage division.

LITTLE RED

Exactly. She probably has tons of
bills. Trust me. Her life is not
nearly as cool as she's making it
out to be. That's why she's
looking for the attention! Either
that or she is just cock hungry.

BRAD

If I understand correctly, I should
just make a fake online life and
wooh her that way?

LITTLE RED

Exactly! Your a man over 30 with
no kids. The world is your oyster.
A woman over 30 with no kids
...reached her ceiling at 26. Show
her how baller your life is.

ROBERT

This is a legit idea. I know a
place where we can buy followers
from India for like 8 bucks.

BRAD

And I know where this guy parks his
Porsche.

RODNEY appears drinking a beer with a fat white waitress on
his arm.

RODNEY

And I know you crackers smell like
Anglo Saxon ball sack. I also have
a drone you can use for your gay
pictures.

Rodney walks off with the fat girl.

RODNEY (CONT'D)

Come on stay puff. I needs my tip
in something fluffy.

ROBERT

And I know where there are a bunch
of hot chicks at...

BRAD

Dude I'm not going back to high
school again.

ROBERT

No Brad. Here. In the wonder that
is Mexican Hooters. Hey Maria?
Wanna make \$100?

Brad and Robert watch a line of Mexican Hooters Waitresses
spilling beer on their chests.

INT. ROBERT'S COMPUTER - SHORT TIME LATER

BRAD heads to eBay and buys 50,000 Snapchat followers.

EXT. OUTSIDE - A SHORT TIME LATER

BRAD walks over to a Porsche and sits on it flashing money.
ROBERT snaps it.

INT. CALL CENTER IN INDIA -

A bunch of INDIAN WORKERS sit around their computer hitting
the follow button on BRAD's profile.

INT. MEXICAN HOOTERS -

BRAD does shots with a playful MARIA as ROBERT films it.

EXT. PRIVATE PLANE - SHORT TIME LATER

BRAD stands on the wing of a private plane. ROBERT films him
with his phone.

INT. CALL CENTER IN INDIA -

More follows are happening as BRAD's account reaches 20,000
follows.

INT. COMPUTER SCREEN -

ROBERT heads to ALI express and buys a fake of cartiers

EXT. BEACH

BRAD stands next to the beach with a Corona wearing the cartiers. RODNEY is near by flying his drone recording Brad. After a couple of seconds recording, Rodney crashes the drone into a white couple on the beach.

INT. MEXICAN HOOTERS

BRAD motor boats MARIA as the waitstaff cheers him on.

Were greeted by a series of photos showing off Brad's staged life.

INT. MEXICAN HOOTERS

BRAD sit's at the table with his arm up blocking his face showing off a Rolex. ROBERT films him.

ROBERT

And that's it. Boom you are all set.

BRAD

Jesus that was an exhausting half hour. I gotta say though, I never knew how much fake stuff you could get off Aliexpress.

ROBERT

Dude I know! It's the ultimate way to impress a chick. Hey Maria, trade you this Michael Kors purse for a hand job?

MARIA walks over and looks at the purse and nods her head. LITTLE RED cuts in from the laptop.

LITTLE RED

Really Robert?

ROBERT

Oh my god Red, I was totally kidding. I wouldn't want her brown peasant hands on my peepee. You know that's reserved for you.

LITTLE RED

Money...Now.

Robert makes a donation.

BRAD

And....that's The last post. How long do you think this will take?

ROBERT

Considering she's 30 and lives her life on social media...not long at all.

Brad's phone vibrates.

BRAD

It's her! She said we should chill.

ROBERT

You fucking did it man. Time to get balls to the uterin walls deep.

They hi five.

LITTLE RED

Wait! Ask her what her definition of chill is.

BRAD

Why?

LITTLE RED

Chill can mean a lot of things. Like one time, I told this guy let's chill, and that really meant for him to buy me 3,000 dollars in calling cards.

BRAD

What the fuck?

Brad types on his phone.

BRAD (CONT'D)

Damnit, it's worse then that. She want's to go on a date.

All 3 of them utter in disappointment.

BRAD (CONT'D)

Where should we go?

ROBERT

Well she's not hot enough to take a on a real date...you should probably swing her to Olive Garden.

BRAD
All you can eat pasta and bread.

ROBERT
I wouldn't know I've never been.

BRAD
You've never been to Olive Garden?

ROBERT
My shirt says Hentai, not feed me
butthole.

LITTLE RED
Oh baby we should totally go!

ROBERT
Anything for you sweet heart.

BRAD
So then doubles?

ROBERT
Doubles it is!

A jacking off noise is heard as the camera zooms back to reveal Maria sitting next to ROBERT. The purse is on the table. The flopping noise is heard for a couple of seconds. The M falls off the Michael Kohrs purse.

MARIA
What the hell?

Robert and Brad look at the purse and take off running out of the restaurant.

INT. OLIVE GARDEN - LATER THAT NIGHT

BRAD and ROBERT sit at a bench outside of the Olive Garden wearing Tuxedos.

ROBERT
So what's up man? What's the game plan?

BRAD
Get her home, put on some Declan Mckenna, and put it in her mouth.

ROBERT

Dude that Irish twink? If you do that she's gonna end up putting it in your mouth. Oh hey check this out.

Robert slides the laptop over to Brad.

BRAD

Why am I looking at a big dick.

ROBERT

Behind the dick.

BRAD

Dude all I see is a dick. It literally takes the whole page. Wait...is that red?

ROBERT

Bingo! She shared with me her Manyvids page.

BRAD

Jesus, how can she fit that in her?

ROBERT

The same way I do a box of Krispy kremes...I Spit on them first.

BRAD

Gross. Who is that guy?

ROBERT

I don't know man some porn star.

BRAD

He's like in every video...are you sure he's not something more?

ROBERT

I don't know about that, but I do know about this.

Robert holds a blank box that says "Zale's".

BRAD

What the hell did you buy at Zale's?

ROBERT

Oh, I don't know, maybe a 1.9 Carat Vera Wang love collection engagement ring.

BRAD

That's like 400 dollars. How the hell did you afford that.

ROBERT

Got approved for credit.

They both nod.

BRAD

How does this proposal work with her being behind a monitor?

ROBERT

I got some guy from post mates going to her house as we speak with it. Heads up it's snap chat chick.

LUCY (30's), walks in wearing short shorts and a cleavage revealing shirt. She holds a selfie stick and records her self as she walks up.

BRAD

Hey Lucy!

LUCY

Ok guys, I am here for my date at a very fancy Italian restaurant...Olive Garden. I can't wait to get my eat on!

BRAD

Hey Lucy it's me Brad.

LUCY

This is my dinner buddy for tonight! Look at how sweet he is! He's waiting for me outside.

ROBERT

Actually it's a 45 minute wait. They made us sit outside on this bench.

BRAD

Yeah, apparently they don't do call aheads.

EXT. OLIVE GARDEN - 49 MINUTES LATER

BRAD, ROBERT, and LUCY sit boredly on the bench. A WAITER comes outside.

WAITER
Table for 4.

INT. OLIVE GARDEN - SHORT TIME LATER

BRAD, ROBERT, sit next to each other with LUCY and LITTLE RED in a laptop on the corners of them. Lucy is snapping selfies and looking at everything through her phone. A WAITER approaches the table.

WAITER
Hello. My name is Gabriel. Don't let the tattoos and gauges fool you. I know fine Italian dining. What can I start you with to drink?

ROBERT
I will have a Dr Pepper.

LUCY
Oh, Brad let's have some adult beverages. Come on!

BRAD
Ok, I hate your word choice but I am game. What alcohol goes well with lasagna?

WAITER
You definitely want some ever clear.

ROBERT
Ever clear? What are we 17 year old chicks your trying to get drunk and stick your thing in?

The waiter looks at Lucy's boobs.

WAITER
We can mix it with lemonade.

BRAD
Just get us 2 Italian Margaritas.

WAITER
A pair of 4 lokos coming up.

Lucy begins talking into her camera phone.

LUCY

Oh my god! Adult beverages on a Tuesday night. We are litty, like a

ROBERT

Black girls titty!

LUCY

Uhh...gross. Oh my god I love Cardi B!

LITTLE RED

Robert, where the hell is my food? You know I turn into a fat bitch when I don't get my eats.

ROBERT

Baby you know how uber eat's is. When he gets there just be rude to him and I won't tip.

BRAD

So, uhh Lucy, Goosey, what are you doing over there?

LUCY

Making a boomerang?

BRAD

A what?

LUCY

You know a boomerang?

BRAD

For killing kangaroos?

LUCY

Ugh don't be so dense Bradley. It's a video loop.

BRAD

Dude what the fuck is a video loop?

ROBERT

I think it just shows the same shit over and over again for like 60 seconds.

BRAD

Why would some one watch food zoom in's for 60 seconds?

ROBERT

I don't know about food zoom ins,
but if it was boob zoom ins

Brad and Robert nod in approval to each other.

LUCY

What are you guys talking about?

BRAD

Oh nothing, just about your
boomerang?

LUCY

What about it? Does it suck?

BRAD

Oh no, just you know how stupid
people are for watching food

LUCY

Your stupid. And look like a
bootleg version of Jim from the
Office space. Hashtag quote it.

ROBERT

What the hell man?

BRAD

I know! She was nothing like this
on Bumble.

A doorbell is heard.

LITTLE RED (O.S.)

You dip shit. You are late.

UBER DRIVER (O.S.)

I'm sorry maam. I do this, and
lyft, and postmates, and deliver
for amazon prime, just to make ends
meet, and put food on the table.
My wife complains I'm never home.
My kid's don't even know me any
more. It's wing stop pick ups,
amazon fulfillment center, back and
forth all night, please ma'am have
pity on my tardiness.

LITTLE RED

Your fault for wanting to be self
employed dip shit. Ta ta titty
boy.

ROBERT

Yeah ta ta titty boy. Let me put that in his review. "titty boy was the Arnold palmer of uber eats drivers, half retard, half slow." And for extra measure "Delivered me an amazon prime package instead of food".

BRAD

Lucy, did you do anything exciting today?

LUCY

I went to work. Then I came here...

BRAD

Oh, I had a pretty awesome day. Me and Robert.

LUCY

Really? Because I checked your story and you haven't updated since like this afternoon. Kind of hard to believe. Loser.

ROBERT

Dude she's kind of a bitch.

BRAD

This is like meeting Steve Carell thinking he's gonna act like Michael Scott...but then he act's like Steve Carrell.

ROBERT

Dude, remember, no kid's, male, early 30's, you have options.

BRAD

Your right. Screw this. Hey Lucy.

LUCY

What?

BRAD

Get your stuff to go. Were going back to my place for never ending salad...tossing.

ROBERT

Nice!

LUCY

Eww. Did you just say salad tossing?

BRAD

Yeah I did because you know what? Your not nearly as hot as your profile pictures. On top of that, your bitchy and have your face in that phone non stop.

LUCY

Uh, so why why were you all thirst trap in my dms?

BRAD

Because I saw some big jugs I wanted to squeege on. But after getting to know you, not the online you with the inflated ego, the real life version of you with the inflated ego. I think you suck, and I am not going to waste my time pretending like I like who just to try to spread your cheeks. Hashtag that Honesty. Now that you know how I feel, do you want to lyft back to my place, smoke a j and

ROBERT

Do some butt play.

LUCY

Hold on let me see what my Facebook live people think I should do. Hey Facebook Live! It's yo girl, Lucy! So should I go with him or what? Sorry there's a bunch of Indian and African guys telling me how beautiful I am and how I deserve more than you. Oh my god, Zooboomafoo called me princess. That is so sweet. Thank you Zooboomafo and Hackmed Khan.

BRAD

Peace out then bitch.

BRAD leaves the room.

ROBERT

And stop wearing lulu lemon. That shits for the big girls.

LUCY
This isn't lu lu lemon?

ROBERT
Oh...Get The fuck out of my table.

LITTLE RED
Oh my god, that was drama.

ROBERT
I know but it just goes to show you
shouldn't fall in love with some
ones online persona.

LITTLE RED
Agreed.

A buzz is heard on Little Red's door.

LITTLE RED (CONT'D)
Oh my god leave me alone assholes.
Hold on Robert. Robert, why is
there a post mates guy at my door
on one knee with a ring?

ROBERT
Well Red, baby, you know how I feel
about you. Your so beautiful, so
smart, so willing just to go there
with your soul, and take shits on
blue ray movies for the views. I
admire that. And I also want you,
to be my wife. Tell that post
mates guy to put the ring near his
heart. If he doesn't I'm gonna
leave him a bad review.

LITTLE RED
Oh my god Robert that is so
beautiful. I don't think I have
ever been touched like this before,
and trust me I've been touched by a
lot of people in a lot of places.
You are so awesome, and funny, and
always there for me.

ROBERT
I knew it Red, let's do this!

LITTLE RED
But...

ROBERT
Wait but? But what?

LITTLE RED

I have a boyfriend whos super hot and he has a big dick. The guy from my many vids videos. You are not hot like at all and from what I've seen...your more foreskin then shaft. You can't compete with that Robert. Come on buddy.

ROBERT

Bummer. I thought we had something special.

LITTLE RED

We do Robert. It's really special. No one donates to me like you do baby.

ROBERT

Really?

LITTLE RED

Mhmmm...Do you want to see me take a dump on this Sherlock and Holmes blue ray?

ROBERT

I think Will Ferrel was the first one to take a dump on that movie, but yes I would love to see those sloppy seconds

LITTLE RED

Then you know what to do.

Donation noises are heard followed by grunting and a plop. Followed by more donation noises.

ROBERT

Red, you are the best!

INT. BRAD'S LIVING ROOM

BRAD and ROBERT sit watching tv.

TV REPORTER

And in other news, an Uber Drive is currently in critical condition after driving he his car into a radio shack...wait they still have those? Into a radio shack.

(MORE)

TV REPORTER (CONT'D)

The driver was reportedly frustrated with a string of negative reviews he received from a local customer.

The TV shows Robert's Face eating a chili cheese dog.

BRAD

Oh my god Robert what did you tell him?

ROBERT

I compared his drive to once upon a time in Hollywood. It started nice then 3 hours later I was just like what the fuck? Then I posted on a conservative website his picture and said he kneeled like Kaepernick while delivering my bottles of Perrier. Then I posted in an Antifa group that he showed up at my door with my Chinese food and called me "sir".

BRAD

Jesus Robert...

ROBERT

I may have also slept with his wife.

There is a loud banging on the door. Brad opens the door to see ALFRED standing in the hallway.

ALFRED

All this shit makes my eyes wanna fucking bleed. Stop advertising your shitty cartoon on instagram. Cut your hands off and leave the internet. I know the internet because I am the internet. OH my god your such an inconvenience on my feed. I want to SEE GOOD SHIT ON MY FEED like Bernie Sanders eating ice cream, or my girlfriends CUCK choices NOT YOUR SHITTY SHOW!

Brad steps back into the door. Robert appears and punches the shit out of Alfred in his face sending him flying to the ground. Brad kicks Alfred repeatedly. Robert picks up a lifeless Alfred corpse and performs the Razers Edge on him. Brad walks inside. Alfred struggles to get up.

He breathes, slowly trying to fix his glasses. A RANDOM MUSLIM man runs up to Alfred with a sword.

RANDOM MUSLIM MAN
ALLUH ACKBAR! LONG LIVE THE
CALIPHATE OF PORTLAND!

Random muslim man chops Alfreds hands off. He falls down crying like a bitch.
